About Connexus Corporation

Connexus Corporation, through its subsidiary, Bitcoin Direct LLC, operates automated bitcoin machines (ATMs), providing consumers access to purchase bitcoins for cash by using any hand held mobile device. The company plans to offer a full range of bitcoin transaction solutions for consumers including remittance, gaming and business payment solutions.

Cautionary Statement Regarding Forward Looking Statements Forward Looking Statements:

This press release contains forward-looking statements that involve a number of risks and uncertainties, including statements regarding the outlook of the Company's business and results of operations. By nature, these risks and uncertainties could cause actual results to differ materially from those indicated. Generally speaking, any statements using terms such as "will," "expect," "anticipate," or "may," or which otherwise predict or address future results or events, are likely to contain forward-looking statements. It is important to note that actual results may differ materially from what is indicated in any forward-looking statement. Readers should consider any forward-looking statements in light of factors that could cause actual results to vary. These factors are described in our filings with the SEC, and readers should refer to those filings, including Risk Factors described in those filings, in connection with any forward-looking statements. The Company disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
